The Duke

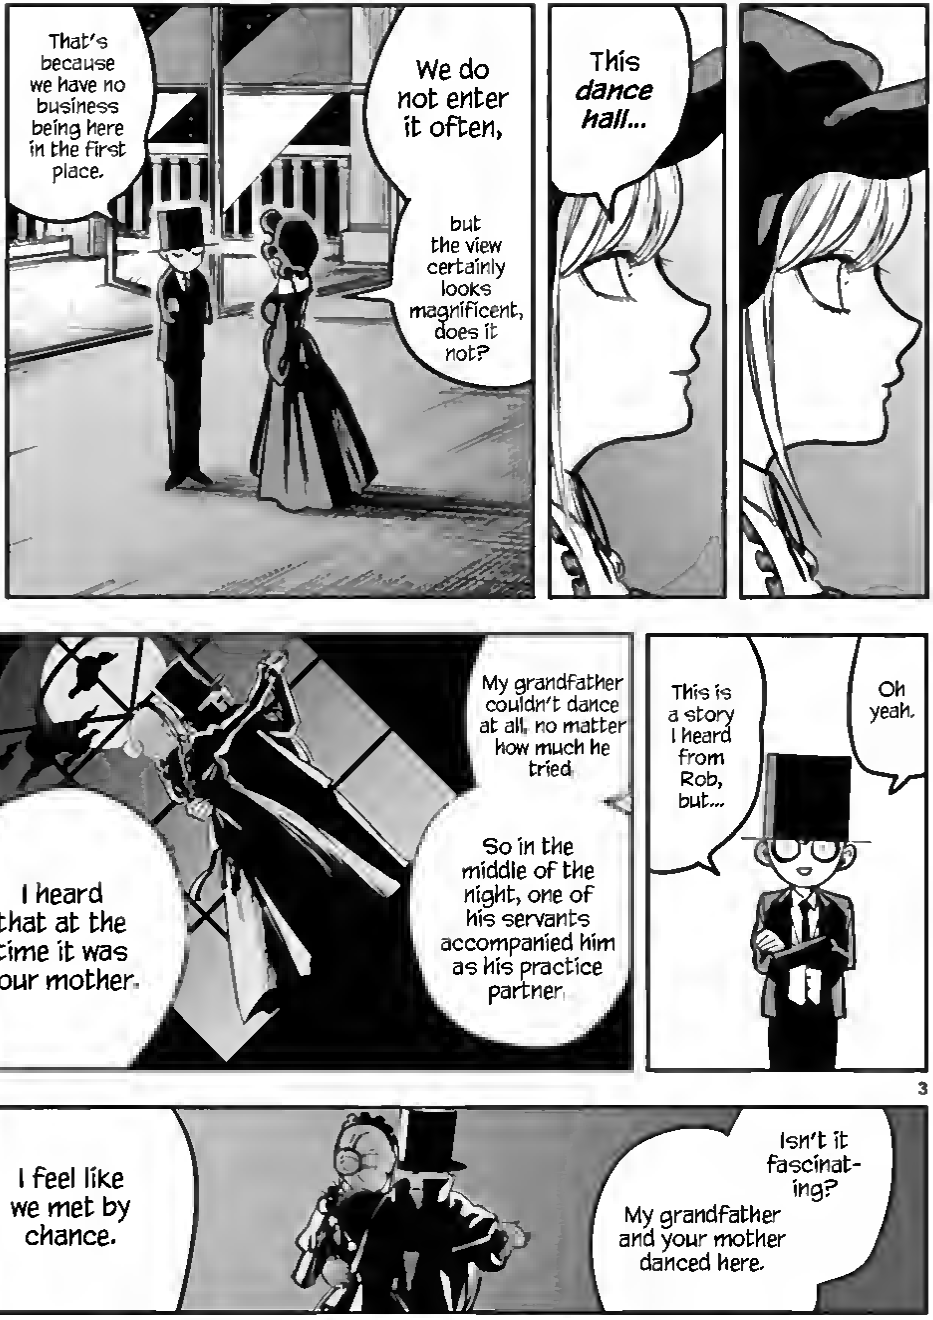
Chapter 5: Dance

My Duke
What are you up to in such a dark place?
I am preparing your dinner.
Well, we've got a beautiful full moon here, you see.
I've been contemplating for a while.



That's because we have no business being here in the first place.
We do not enter it often,
but the view certainly looks magnificent, does it not?
This *dance hall*...
Oh yeah.
This is a story I heard from Rob, but....
My grandfather couldn't dance at all, no matter how much he tried.
So in the middle of the night, one of his servants accompanied him as his practice partner.
I heard that at the time it was your mother.
Isn't it fascinating?
My grandfather and your mother danced here.
I feel like we met by chance.

Perhaps it was even destiny...
Of course.

We should be fine if we pretend.
I can't touch you, but...
How about we try dancing, too?
How...

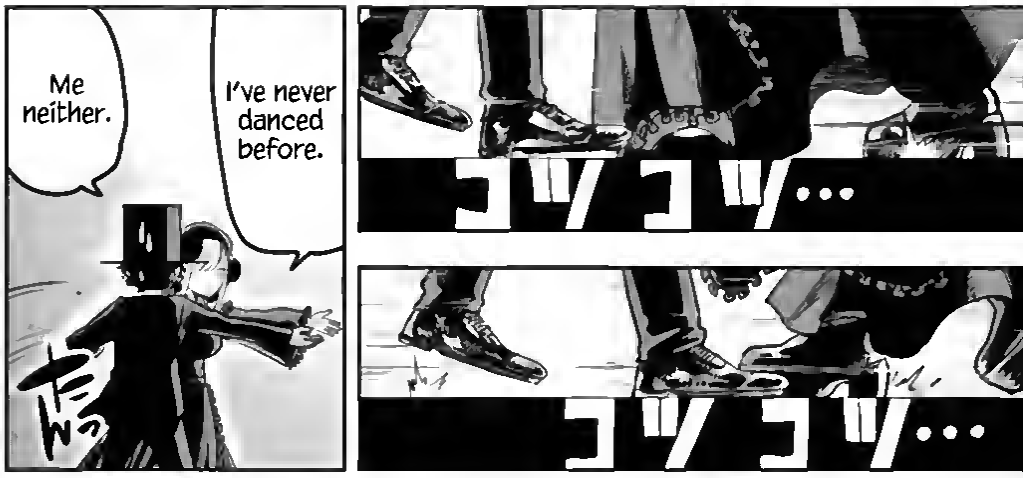
I... I SEE. I THOUGHT IT'D BE FUN, TOO...
"NO" ...
No.

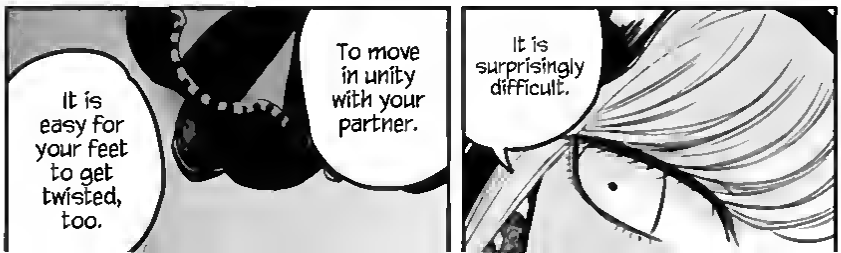
Wo... won't you
dance with me?
I will not, unless you ask me formally.
!

With pleasure.

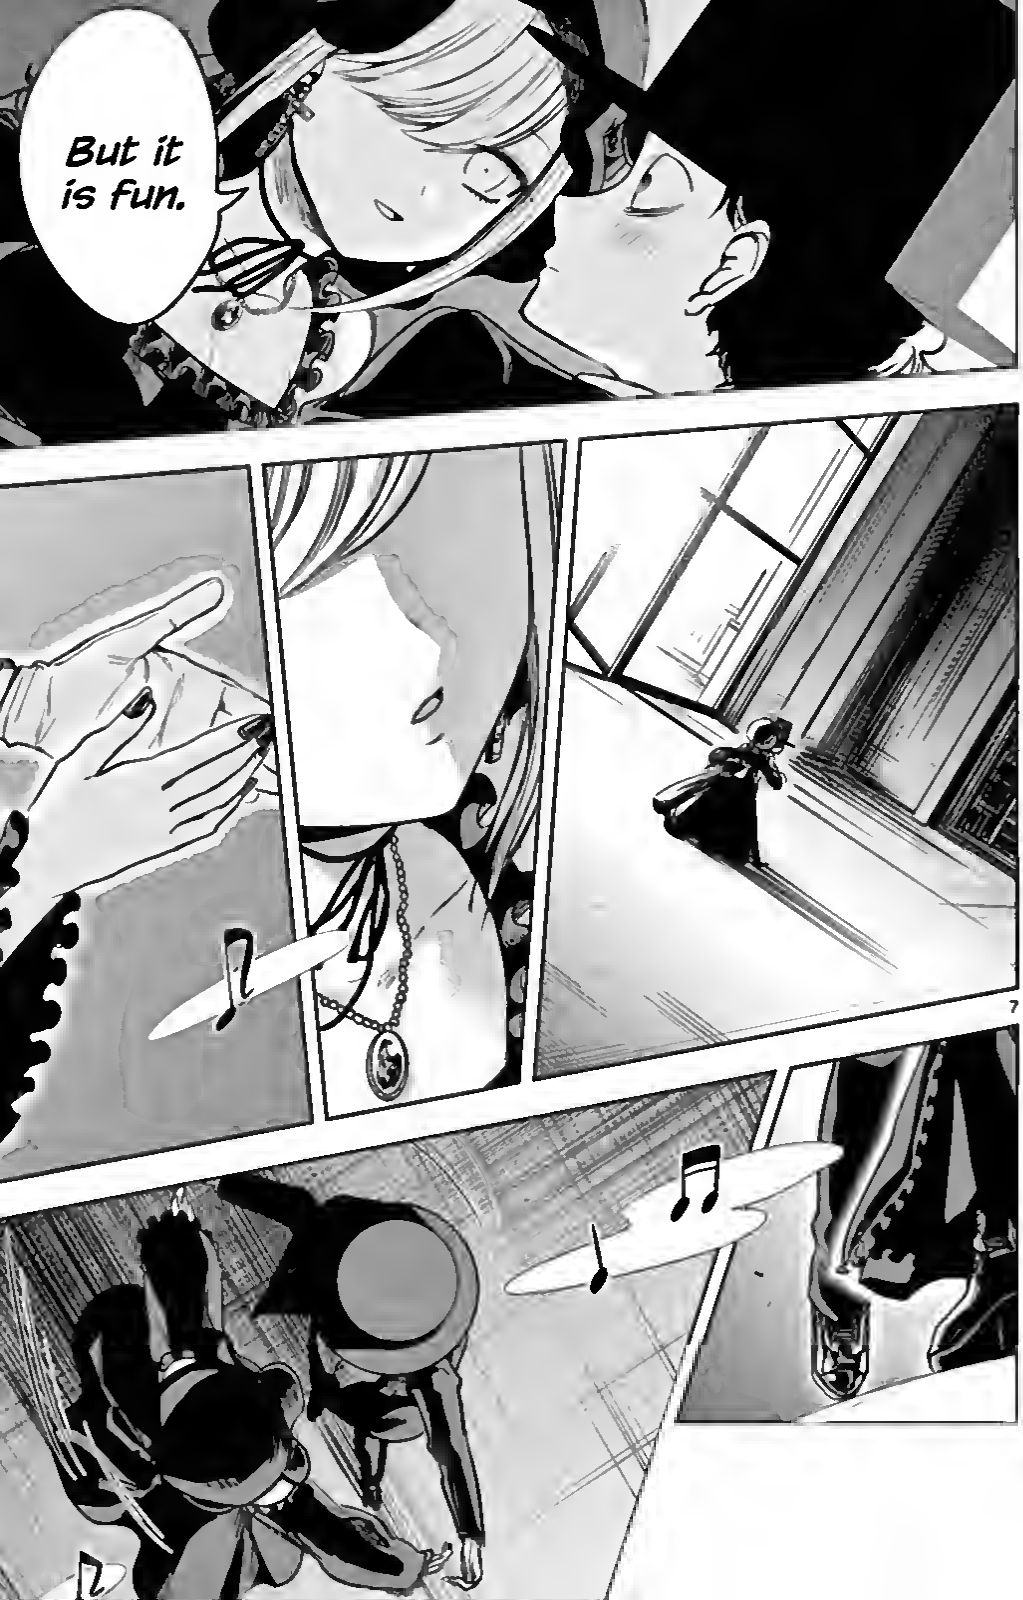
It feels embarrassing, facing each other like this...
CLOSE...
Yes it is.
Yes, my Duke.
Take care not to touch me.



I've never danced before.
Me neither.
コツ コツ...
コツ コツ...



It is easy for your feet to get twisted, too.
To move in unity with your partner.
It is surprisingly difficult.



But it is fun.

What do you think of me, as a man...
...Is what I meant, but...
...No,
I didn't mean our master-servant relationship ...
Yes.
Of course...

I like you, my Duke.
!!
Re... really!
Yes.
